

## Field Service Programs for the S4K4UC/6UC Industrial and S5KC Series

These programs are for Domestic coverage (valid only within the continental United States and Canada); additional travel expenses may be billed to customers with site locations more than 150 miles from a major metropolitan area.

### S4K4UC/6UC Industrial Start-Up Programs

**Start-Up** includes one site trip within the contiguous 48 states by a factory trained technician. Any additional trips by the customer service engineer as a result of the site not being ready for start-up may result in additional costs to the customer. The site trip includes the following services for one UPS module:

- Rack construction, installation or re-configuration with UPS accessories.
- Installation includes mounting and start-up of new UPS and internal batteries (excludes hard-wired applications).
- Services performed by factory trained technician.
- Services performed 24x7, excluding national holidays within the 48 contiguous states.

### S5KC Modular Start-Up Programs

Start-up services should be ordered as a separate line item at the time of purchase. S5KC Series UPS sold with start-up Services are provided with a 2 year parts and labor warranty. Please refer to the following information for a menu of start-up options and please choose the appropriate start-up service required. If start-up is not ordered and performed, please note that this will reduce your warranty period to two years of parts and, 90 days labor.

A separate Preventative Maintenance Only plan is available in addition to the standard Start-Up plan.

### Service Programs - S4K4UC/6UC and S5KC Series
