

## TAIYO YUDEN EST1040 SERIES

### Grade 1 AEC-Q200 Qualified Power Inductors

*TAIYO YUDEN's most price competitive release of EST Series yet.*

TAIYO YUDEN's EST1040 series inductor is the latest in TAIYO YUDEN's line up of EST series AEC-Q200 qualified grade 1 fixed inductors with a footprint of 10.0 x 10.0 x 4.3 mm. Available in inductance up to 470uH and tolerances of 20% and 30%. This fixed inductor is ideal for automotive and industrial

#### **Features:**

- Grade 1 AEC-Q200 Qualified
- Size: 10.0 x 10.0 x 4.3 mm
- Available in inductance ranges of 1uH to 470uH
- Available Tolerances: 20%, 30%

#### **Applications:**

- Automotive
- Industrial
- Servers: Power Supply Circuits, DC/DC converters
