Cat6A Professional Ethernet Cable

Part No:
TEC11BLK2 Series

Description:

Shielded Cat6A S/FTP 26AWG Patch Cable
Shielded 8P8C Plug to Plug

Features:

S/FTP (double shielded)
50μ" Gold plating
PoE++
Snagless with protection latch
100% Pass Patch Cord Test

1. Introduction

Introducing our Cat6A Professional Ethernet Cable, part of the TEC11 Series, a top-tier solution for robust and high-speed networking. This shielded Cat6A S/FTP 26AWG Patch Cable ensures optimal signal integrity, featuring an 8P8C Plug to Plug configuration for seamless connections. With S/FTP shielding, a 50μ" gold-plated three-piece plug, and snagless accompanied by a protection latch, this cable guarantees secure and reliable performance. Rigorously tested to achieve a flawless 100% Pass in the Patch Cord Test, the Cat6A Professional Ethernet Cable is your go-to choose for dependable and efficient connectivity. Elevate your network infrastructure with the superior quality and advanced features of the TEC11 Series.

Typical Applications Include:

- Home and Office Networking
- Manufacturing and Infrastructure
- Internet Service Providers
- Gaming
- Data Centres

Taoglas Magnetics offer an extensive product line of Ethernet cables designed for commercial and industrial grade applications, supporting 10/100 Base-T up to 10G Base-T. Designed to deliver top-tier performance Taoglas Ethernet cables provide reliable performance and maintain signal integrity that meets IEEE 802.3 standards, and they are ETL certified. The Power over Ethernet options are also available including PoE, PoE+ and PoE++.

The Taoglas Ethernet cables are designed with a high-quality Shielded Foiled Twisted Pair configuration to ensure data transmission remains clear and free from interference, even in environments with high EMI. The cables are equipped with snagless and a robust protection latch that firmly secures the connection. Taoglas products are fully compliant with the REACH and RoHS directive.

For customized products or support with integration, contact your regional Taoglas customer support team for further information.
