

Rolling Desk TV/Monitor Cart - Height Adjustable

MODEL NUMBER: WWSSRDSTC

Mobile standing desk is an all-in-one workstation you can roll anywhere. Adjustable height creates a more ergonomic workspace.

Features

Rolling Workstation Lets You Enjoy the Benefits of Standing During Your Workday Standing for part of the day can help increase metabolism, improve alertness and productivity, reduce fatigue and decrease the risk of repetitive stress injuries. This WorkWise™ mobile workstation on wheels has adjustable height to let you enjoy the benefits of better workspace ergonomics at home, school or the office.

Easily Adjust Workstation Height for Ease of Use To adjust the height of the WWSSRDSTC, press the lever on the side of the monitor shelf. The monitor and keyboard shelves move together to provide smooth transitions between sitting and standing. The height adjustment also ensures the comfort of different users. The monitor shelf adjusts between 29.5 and 47.2 inches above the floor.

Take Your All-in-One Workstation Wherever You Need to Go The four casters on this standing desk allow you to roll it from room to room, giving you the freedom to go where your work takes you. Because it has a smaller footprint than many popular computer desks, the WWSSRDSTC also fits well in home offices. When not in use, the workstation can be rolled into a secure area for storage. Two of the casters lock to keep the workstation in position while at rest. Use the included cable wrap to reduce cord clutter for a clean, professional look.

Keep Your Computer Hardware Organized on Convenient Shelves This adjustable-height desk on wheels includes four shelves for holding a monitor, laptop, keyboard, printer, CPU or other peripherals. The monitor shelf supports up to 17.6 lb., and the oversized keyboard shelf supports up to 4.4 lb. The printer and CPU shelves support up to 22 lb. each. The CPU shelf's width adjusts from 4.7 to 8.2 inches to accommodate a variety of form factors. Straps are included to secure a CPU or other component.
