

# Miniature Power PCB Relay PB

- 1pole 10A, 1 form C (CO) or 1 form A (NO)
- Environmentally-friendly cadmium-free contacts
- Class F coil system standard
- Compact and simple design gives high process security

White goods, small home appliances, heating temperature controllers.

Product in accordance to IEC 60335-1

VDE Cert. No. 40008364, UL E214025 Technical data of approved types on request

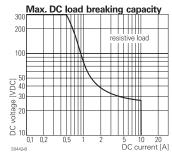

| Coil Data                  | PB1         | PB5         | PB6         |

#### Dimensions

### PCB layout<sup>1)</sup> / terminal assignment

#### <sup>1)</sup> Layout note:

No openings (e.g. holes, slots, cutouts, unused pins, open through connections, etc.) allowed under the relay base. The relay base must be fully covered by the PCB, recommended minimum distance between the relay and the edge of the printed circuit board is 5 mm. For more information, please contact our application support.
