Technical drawing of a 16x10 grid of components. The drawing shows a top-down view of a grid with 16 columns and 10 rows. The columns are labeled 1 to 16 at the top, and the rows are labeled a to i on the left. The grid is composed of 160 individual components, each with a complex, symmetrical shape. The drawing includes dimensions: 31.22 for the total width, 0.73 for the width of a single column, and 18.6 for the total height. A table at the bottom right provides additional specifications for the components.
