Main Characteristics

SRC

- Connector in accordance with NF F 61-030 and meets EN 45545-2
- In accordance with the RoHS directive
- Reverse bayonet connector derived from VG 95234 standard
- Hard thermoplastic insert is self-extinguishing and halogene free
- Removable and interchangeable inserts (plug and receptacle can be male or female)
- Removable contacts retained by spring clip for a safe and quick cabling
- Angled and straight backshells for integrating in different configurations

mm / (inch)

MATERIAL

Shell : Aluminium alloy

Shell plating :

Black passivation - 250 H Salt Spray - Conductive

Black anodizing - 500 H Salt Spray - Non Conductive

Contact : Gold or silver plated brass

Insert :

Halogen & phosphorus free Thermoplastic UL 94-V0

Requirement 4 according to NF F 16-101 & NF F 16-102

CTI : 600 V following IEC 60112

Grommet & Interfacial seal : Silicone

NF F 16-101 & NF F 16-102 requirement 2 or 4

EN 45545-2

Retaining Ring : Stainless steel

ENVIRONMENTAL

Service Temperature : -40°C +100°C (-40°F +212°F)

Salt Spray : 250 or 500 hours depending on the treatment

Protection Index : IP 66 mated with suitable backshell according to EN60529

Fluid Resistance : gasoil, mineral oil, acid, base and cutting fluid

MECHANICAL

Durability : 500 mating cycles

Vibration : 5 g

Shocks : 30 g - 18 ms semi-sinusoïdale

Keying System : 3 to 5 positions

Application specification FT05006

Safety Instructions

SRC

- Ensure cables and contacts withstand the electrical and environmental characteristics of your application.
- Always use tools recommended in this catalog or on the assembly drawings.
- Check connector assembly and wiring before switching power on.
- It is recommended that the termination of all electrical equipment be undertaken only by suitably trained and qualified personnel.
- To ensure the safe and efficient operation of connectors, the relevant operations manual must be followed, please consult us.
- Do not disconnect under voltage.
- In doubt, please contact us.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
