

Technical drawing of a mechanical part, showing a side view. The drawing includes two dimension lines: a horizontal one at the top labeled '5' and a vertical one at the bottom labeled '4'.

A top-down schematic diagram of a three-car train stopped at a station platform. The train consists of three rectangular cars, each with a central square window and a smaller square window below it. The train is positioned between two platform tracks, with the platform edge visible on the left. The diagram uses black lines for the train and platform, and a light gray background for the tracks.
