

0906 UMC 201

Field attachable connector for the power supply of the Interbus modules, 6 pole male M23 connector, solder connection.

0906 UFC 201

Field attachable connector for the power supply of the Interbus modules, 6 pole female M23 connector, solder connection.

0906 UMC 202

Field attachable connector for the power supply of the Interbus modules, 6 pole male M23 connector, screw terminal connection.

0906 UFC 202

Field attachable connector for the power supply of the Interbus modules, 6 pole female M23 connector, screw terminal connection.

0956 IMC 201

Field attachable connector for Interbus, 9 pole male M23 connector, fully shielded.

Technical Data

Degree of protection

IP 67 / NEMA 6P
(fully locked position only)

Temperature range

- 40°C(-40°F) / +125°C(+257°F)

Materials

Housing

CuZn, nickel-plated

Insert

PBT

Contact

CuZn, pre-nickeled and gold plated

Mechanical data

Mode of connection

Solder cup

Electrical data

Rated current

0906 UMC 201...202 /
0906 UFC 201...202: 20 A
0956 IMC 201 /
0956 IFC 201: 8 x 8 A / 1 x 20 A

Rated voltage

50 V DC

Pollution grade

2 acc. to VDE 0110

0956 IFC 201

Field attachable connector for Interbus, 9 pole female M23 connector, fully shielded.
