

Series
QMA

QMA receptacle connector
integrated strain relief
for rail mounting

Issue:
Apr. 10, 2018

Page
1/2

MATERIALS & FINISHES :

- PLUG SHELL : High grade thermoplastic, nickel plated,
- RAIL LOCKING DEVICE : High grade thermoplastic,
- SPRING : Stainless steel,
- INSERT RETENTION CLIP : Beryllium copper alloy,
- POLARIZATION KEYS : High grade thermoplastic,
- DUST CAP : Thermoplastic.

NOTA :

- Please refer to MIIN1700000 for unlocking instructions.

DIMENSIONS : mm (inch are given for information only)

Estimated weight : 39 g

CREATION				
PEN:				
NOM: BELEY T.				
DATE: Jul. 16, 2015	Apr. 10, 2018	Updated title and mounting instruction number	Legendre T.	Lopez C.
APPR.: VIEIRA D.	Mar. 20, 2018	Erased "Preliminary" on TDS. Added overall height dimension. Updated dimensions and view for uniformity.	LOPEZ C.	PAILOT N.
