

Technical drawing of a mechanical part, showing a side view and a perspective view.

The side view includes the following dimensions:

- Overall length: 100
- Left end diameter:  $\varnothing 2,9$
- Right end diameter:  $\varnothing 9$
- Left end feature width: 1,3

SCALE 1:1

The perspective view shows the part is a long, thin cylinder with a flared, conical end on the left.

All dimensions are in mm.

Small technical drawing of a conical part, showing a side view and a circular cross-section view.
