Crimping tools for fibre-optic cable connectors

- Ratchet guarantees precise crimping
- Release option in the event of incorrect operation

General ordering data

Version	Pressing tool
Order No.	1208870000
Type	HTX-IE-POF
GTIN (EAN)	4032248990269
Qty.	1 pc(s).

Technical data

Dimensions and weights

Width	220 mm	Width (inches)	8.661 inch
Weight	450 g	Net weight	645 g

Environmental Product Compliance

REACH SVHC	Lead 7439-92-1
------------	----------------

Technical data

Description of article	(1)Crimping tool
------------------------	------------------

Description of contact

Type of contact	For 1 mm thick polymer optical fibres
-----------------	---------------------------------------

ECLASS 11.0	21-04-38-11		

Important note

Product information

HTX_IE_POF

- Only one tool for the entire processing procedure of the SC-RJ plugs
- For processing 1 mm thick polymer optical fibres, especially for PROFINET and ETHERNET/IP SC-RJ connectors
- For stripping Duplex polymer optical fibres
- The plugs are crimped and the polymer optical fibres are cut in a single step
- The cut faces do not need additional polishing
- Locator for precise positioning of the SC-RJ plugs
- Ergonomically shaped handles
- High repeatability
- Tested to more than 15,000 operations

Just three steps to finish the IP67 connector:

- 1) Strip the polymer optical fibre cable
- 2) Crimping and cutting
- 3) Crimp the strain relief

Weidmüller is a specialist in the cutting of copper or aluminium cables. The range of products extends from cutters for small cross-sections with direct force application right up to cutters for large diameters. The mechanical operation and the specially designed cutter shape minimise the effort required. With its wide range of cutting products, Weidmüller meets all the criteria for professional cable processing.

General ordering data

Type	SCISSORS KEVLAR	Version
Order No.	1208910000	Electrician's scissors
GTIN (EAN)	4032248990085	
Qty.	1 pc(s).	

Tools

- For flexible and solid conductors with special insulating materials
- High-quality stripping for industrial applications (complies with aircraft industry requirements)
- Specially shaped blades enable stripping of special types of insulation and conductor configurations
- Stripping length adjustable via end stop
- Very versatile thanks to interchangeable stripping units
- Stripping results reproduced accurately over and over again
- No damage to the conductor
- A long-lasting, reliable tool thanks to its sturdy design
- Integrated cutting function

General ordering data

Type	MULTI-STRIPAX IE-POF	Version
Order No.	1208880000	Tools, Stripping and cutting tool
GTIN (EAN)	4032248990276	
Qty.	1 pc(s).
