

HDC FBS TOOL 13-50**Weidmüller Interface GmbH & Co. KG**

Klingenbergstraße 26

D-32758 Detmold

Germany

www.weidmueller.com

Weidmüller's professional tools are the result of an intensive development process that has been specifically focussed on the requirements of their use in practice. We offer many useful tools, e.g. no-contact tools, crimping pliers and fibre optic tools, that help you work safely and precisely for an optimised installation of heavy-duty connectors.

www.weidmueller.com**Accessories****EMC Brass cable gland acc. to EN 45545**

The increasing sensitivity of electronic components and the increasing electromagnetic interference frequencies require cable glands to play an important role in the shielding concept of a system. This type of EMC cable glands are made for shielding against interference frequencies, with a 360° screening connection. A Finger-locking seal provides superior cable retention & strain relief, next to it, the cable gland meets the mechanical requirements of EN 62444. Due to the patented design a very easy and fast assembly will be possible.
