

# AX60650

Embedded MicroBox for Mini-ITX SBC

## Features

- Designed for Mini-ITX SBC
- One 2.5" HDD supported
- 3 COM supported (optional)
- Cost-effective design

## Specifications

|                     |                                                                                                                                                  |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Standard Color      | Black                                                                                                                                            |
| Construction        | Heavy-duty cold-rolled steel                                                                                                                     |
| Indicator           | 1 x HDD activity<br>1 x Power status                                                                                                             |
| Panel I/O           | Front: 1 x Power button<br>2 x USB 2.0, 1 x Line-out, 1 x Mic-in (by BOM)<br>Rear: 1 x Standard Mini-ITX I/O bracket space<br>3 x COM (optional) |
| Expansion Interface | N/A                                                                                                                                              |
| Storage             | 1 x 2.5" HDD                                                                                                                                     |
| Cooling             | N/A                                                                                                                                              |
| Power Input         | 150W PSU                                                                                                                                         |
| Dimensions          | 202 mm (7.95") (D) x 320 mm (12.59") (W) x 73 mm (2.87") (H)                                                                                     |
| Environment         | EMI pre-scan meets EN 55022 Class A                                                                                                              |

## Applications

Embedded PC controller  
Compact industrial PC  
POS  
Digital signage

## Packing List

1 x AC power cord

## Ordering Information

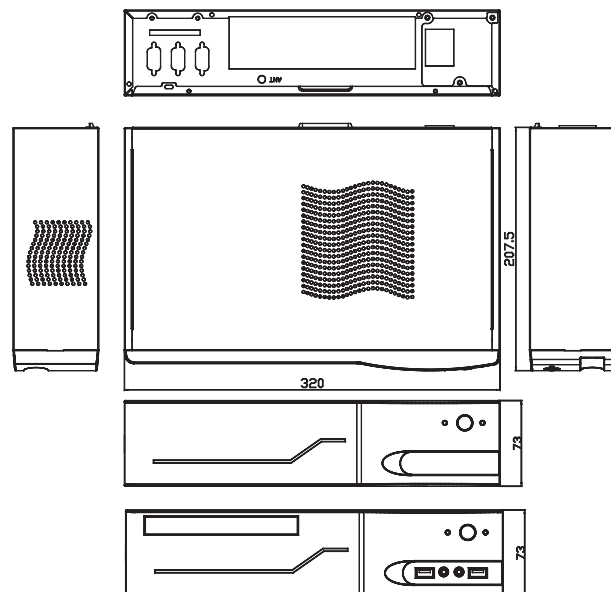

### Standard

|            |                                            |
|------------|--------------------------------------------|
| E260650100 | AX60650 embedded MicroBox for Mini-ITX SBC |
| E260650101 | AX60650 with front 2 x USB audio connector |

### SBC Options

MAN0500/MAN0881/MAN0882/MAN0873
