## 704.910.4 - Switching element

### 704.910.4 - Switching element

*Attention: The preview is based on a sample product. This can differ from your current configuration.*

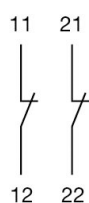

#### Attribute

|                           |                             |
|---------------------------|-----------------------------|
| Contacts                  | 2 NC                        |
| Contact material          | Silver                      |
| IP Protection             | IP00                        |
| Operating Voltage/Current |                             |
| Switching current         | 10 A                        |
| Switching system          | Slow-make switching element |
| Switching voltage         | 500 V                       |
| Switching voltage kind of | AC                          |
| Terminal                  | Screw terminal              |
| Weight                    | 0.028 kg                    |
| Switching rating          | 500 V AC @ 10 A             |

704.910.4 - Switching element

## Wiring diagrams

## Additional information

For the third switching element the terminal marking insert is to be ordered separately

Operating temperature: Other temperatures on request

Contacts: NC = Normally closed, NO = Normally open
