**Apple MFi Certified
Fast Charge & Sync**

Made for
iPhone | iPad | iPod

A brand of 

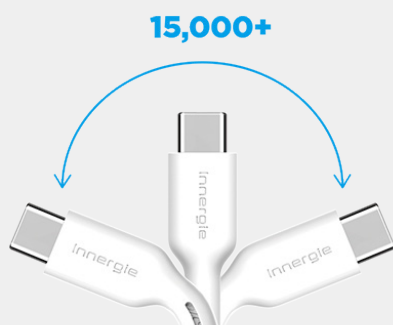

Power Up and Sync Up Your Apple Devices

Apple MFi certified. Supports 3A fast charging and 480 Mbps data sync of iPhone, iPad, and more.

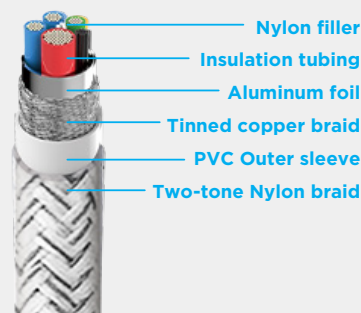

Ultra Durable

15,000+ bend test verified for long-lasting lifespan.

Superbly Built for Quality

Built-in high purity copper wire reduces voltage drop and ensures charging efficiency.

Innergie persists in quality and durability to extend the product lifespan. The longer a product lasts, the less e-waste appears.

Warranty

Innergie carries on Delta's 50 years of power proficiency and technology. With high quality and sustainability standard, Innergie promises the responsible and reliable daily power solutions. 3 year product warranty is guaranteed.
