Product Description	HellermannTyton's Shielded Category 6A keystone jack is designed to support your 10G installation needs. Its design includes HellermannTyton's innovative 10 pin technology which helps to guarantee superior performance while exceeding the TIA/EIA Category 6A standard. All eight terminations are made at once using our hand termination tool which helps ensure quality and consistency of the connections. Once terminated, jacks are compatible with HellermannTyton shielded modular patch panels and modular faceplates.
