

Specification Sheet

Part Number: HS-1910

Available in 3 diameters and 2 lengths to suit all port sizes.
Internal lining of hot melt adhesive provides environmental seal.
Visual correct shrinkage indication.

Heat Shrink Sleeve, "L" or "LM" Port, 60/16 x 150, 1x HS + 1x Branch Clip, AL/PO-X, 1/pkg

Article Number 857-40318

Type HS1910*

Color Black (BK)

Quantity Per bag

Product Description HellermannTyton heat shrink kits are manufactured with crosslinked polyolefin and an internal lining of hot melt adhesive. The heat shrink sleeve has a coating of thermochromic paint, which changes color when the optimum temperature for shrinkage is achieved. The hot melt adhesive lining provides an environmental seal around the cable and port entry.

Short Description Heat Shrink Sleeve, "L" or "LM" Port, 60/16 x 150, 1x HS + 1x Branch Clip, AL/PO-X, 1/pkg

Global Part Name	HS1910*
Technical Description	The HellermannTyton range of heatshrink kits are crosslinked polyolefin with an internal lining of hot melt adhesive. The heatshrink sleeve has a coating of thermochromatic paint, which changes colour when the optimum temperature for shrinkage is achieved. The hot melt adhesive lining provides an environmental seal around the cable and port entry.
Contents of pkg/kit	Heatshrink (x1) Abrasive Strips (x1) Aluminum Foil (100 x 130mm)(x1) Tis Wipes (x2) BCL1983 Branch Clip (x1)
Length L (Imperial)	5.9
Length L (Metric)	150.0
Material	Aluminum (AL) Polyolefin, cross-linked (PO-X)
Material Shortcut	AL PO-X
Package Quantity (Imperial)	1
Package Quantity (Metric)	1
Customs Number	9030400000
