

Specification Sheet

Part Number: FASCAX9SM3

Assembly with optical connector on only one end.
Factory terminated and tested.

Ideal for fusion splicing within FTTx applications.

Pigtail, SC/APC, 900um, SM, 1m, 1/pkg

Article Number	904-01185
-----------------------	-----------

Type	FASCAX9SM3
-------------	------------

Color	White (WH)
--------------	------------

Quantity Per	EA
---------------------	----

Product Description	Optical Fiber Pigtails are used in place of field terminations to provide a reliable and high-performing pluggable connection for outdoor and higher fiber count feeder and trunk cables. The factory terminated and tested pigtails can be attached by fusion splice to provide a pluggable interface for the bulk optical cable or to create a discreet fiber breakout within an enclosure.
----------------------------	---

Short Description	Pigtail, SC/APC, 900um, SM, 1m, 1/pkg
--------------------------	---------------------------------------

Global Part Name	FASCAX9SM3-DIV-WH
-------------------------	-------------------

Contents of pkg/kit	1m Pigtail
----------------------------	------------

Length L (Imperial)	3
----------------------------	---

Length L (Metric)	1
--------------------------	---

Variant	Optical Pigtail
----------------	-----------------

Material	Various (DIV)
-----------------	---------------

Material Shortcut	DIV
--------------------------	-----

Package Quantity (Imperial)	1
------------------------------------	---

Package Quantity (Metric)	1
----------------------------------	---

Customs Number	8544700000
-----------------------	------------

Weight (Metric)	.006
------------------------	------

Weight (Imperial)	.013
--------------------------	------
