Technical drawing of a cross-section of a concrete wall with a sound emission hole. The drawing shows a vertical wall with a horizontal hole. Dimensions are given in millimeters: 2 - 0.5 (width of the hole), 2.15 (width of the wall), 4.2 (height of the hole), 2 - 0.6 (width of the wall), and 3.0 (width of the wall). A label "Sound Emission Hole" points to the hole.
