

Solid-Core Wire Spool – 25ft – 22AWG – Yellow

PRODUCT ID: 289

Description

Perfect for bread-boarding, free wiring, etc. This spool of solid-core wire is easy to solder to. When bent it keeps its shape pretty well. We like to have a few spools of this stuff around. We suggest picking up wire strippers to match. Wire gauge is 22 AWG which we've found is the best all-around gauge, it works best with breadboards and perfboards but also fits in terminal blocks nicely

Technical Details

External Insulation Diameter: 1.5mm / 0.06"

Weight: 51g
