# Pibow Zero Case for Raspberry Pi Zero v1.3

PRODUCT ID: 3005

- ## Description

Crafted out of four transparent acrylic pieces the **Pibow Zero Case for Raspberry Pi Zero** protects your Pi while showing it off to the world!

Each layer is laser-cut from colorful, lightweight, and high-quality cast acrylic. All of the primary ports and GPIO pins are accessible (it encloses the micro-SD slot). No tools are necessary for assembly or disassembly and the case comes in at a conveniently lightweight 34g.

Check out our Pi Zero category for all kinds of goodies.

As of June 19, we now carry a version that **ONLY fits the Pi Zero v1.3 (with Camera Connector). It does not fit earlier versions or the Pi Zero Wireless. Pi not included!**

- # **Technical Details**

  o Weight (assembled): 34g
