Driver for Vertical Farming LED-Modules

37.191.1012.00

DESCRIPTION

For operating 4 modules
Without plug for mains connection

Product name:	Driver for Vertical Farming LED-Modules
Country of origin:	DE
Packaging type:	Carton
Packaging quantity:	1.000
Short description:	For operating 4 modules
Input voltage:	90 - 305 V AC
Operational voltage:	14-25 V DC
Power consumption:	140 W
Operational current:	1,400 mA
Pkg.:	1
