

**83 540 0 1 -pole Telescopic button Part number 835400**

- High switch rating
- Low level
- Long mechanical life
- Reliability

**Part numbers**

	Type	Functions	Connections
<b>83 540 0</b>	1 -pole Telescopic button	Changeover	W2 solder

**Specifications**
**General characteristics**

Microswitch	83 132 0
-------------	----------

**Presentation**

Threaded barrel	•
Chrome-plated nuts	•
Locating washer	•
Chrome-plated toggle	-

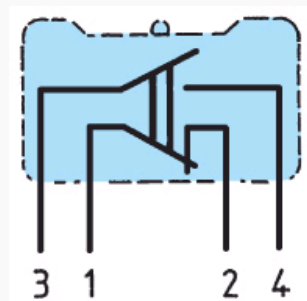

**Mechanical characteristics**

Protection against electric shocks to IEC 536 and NF 20030	Class I
Mechanical durability of operating device (operating cycles)	$5 \times 10^5$
Weight (g)	20

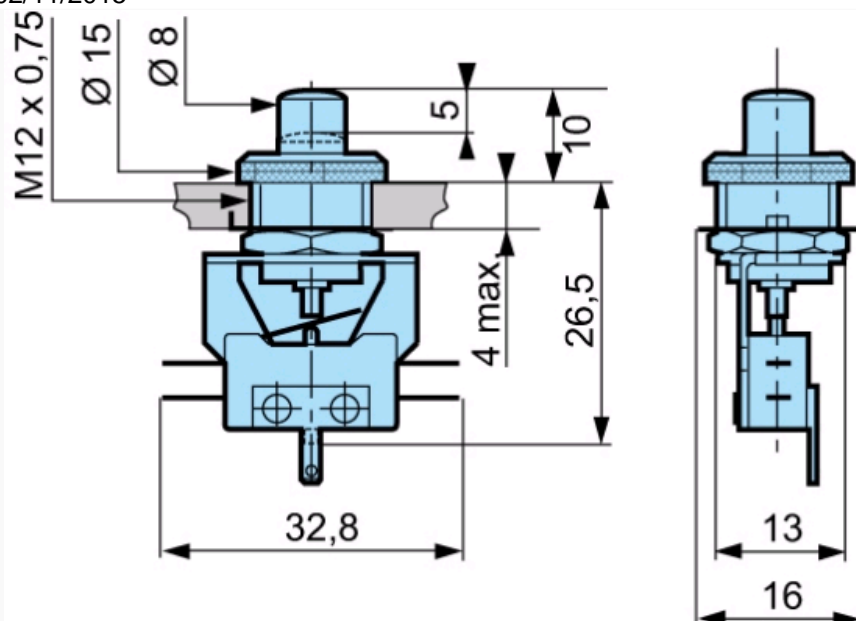

**Other characteristics**
**Mounting - Operation**

See basic technical concepts.

**Principles**
