

# COMe Eval Carrier2 T6

## COM Express® Evaluation Carrier2 Type 6

- COM Express® Rev. 3.1 Pin-out Type 6
- GbE support
- 8x PCIe x1 + PEG x16
- 4x USB 3.1, 4x SATA, 2x RS-232, GPIO
- 3x DP, LVDS/eDP, VGA

|                |                                                          |
|----------------|----------------------------------------------------------|
| COMPLIANCE     | COM Express® Rev. 3.1, Pin-out Type 6                    |
| DIMENSIONS     | 305 mm x 244 mm (ATX)                                    |
| ETHERNET       | 1x GbE RJ45                                              |
| HARD DISK      | 4x SATA                                                  |
| PCI EXPRESS®   | 1x PEG x16<br>8x PCIe x1                                 |
| PANEL SIGNAL   | 3x DP<br>1x LVDS/eDP (optional)<br>1x VGA                |
| USB            | 4x USB 3.1 (incl. USB 2.0) + 4x USB 2.0                  |
| SERIAL         | 2x COM ports (RX/TX only)                                |
| AUDIO          | 1x Audio Connector                                       |
| ONBOARD HEADER | 1x Feature Connector<br>1x LPC/eSPI<br>1x GPIO<br>1x FAN |
| POWER SUPPLY   | ATX (24 + 8 pin Connector)                               |
