Specifications

## selector switch Ø 30 - 2 positions - maintained - LED

9001K11J35LLL

### Main

|                           |                             |
|---------------------------|-----------------------------|
| Range of product          | Harmony 9001K               |
| Product or component type | Illuminated selector switch |
| Device short name         | 9001K                       |
| Type of operator          | maintained                  |
| Operator profile          | Blue standard knob          |

### Complementary

|                               |                       |
|-------------------------------|-----------------------|
| Bezel material                | Chromium plated metal |
| Mounting diameter             | 30 mm                 |
| Product weight                | 0.245 kg              |
| Shape of signaling unit head  | Round                 |
| Operator position information | 2 positions           |
| Contacts type and composition | Without contact block |
| Mechanical durability         | 500000 cycles         |
| Light block supply            | Direct                |
| Light source                  | LED                   |
| Bulb base                     | BA 9s                 |
| [Us] rated supply voltage     | 24...28 V AC/DC       |
| Device presentation           | Basic element         |

### Environment

|                                       |                                                                                 |
|---------------------------------------|---------------------------------------------------------------------------------|
| Protective treatment                  | TC                                                                              |
| Ambient air temperature for storage   | -40...70 °C                                                                     |
| Ambient air temperature for operation | -25...70 °C                                                                     |
| Electrical shock protection class     | Class II conforming to IEC 61140                                                |
| IP degree of protection               | IP66 conforming to IEC 60529                                                    |
| NEMA degree of protection             | NEMA 1<br>NEMA 12<br>NEMA 13<br>NEMA 2<br>NEMA 3<br>NEMA 3R<br>NEMA 4<br>NEMA 6 |

## Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 4.6 cm  |
| Package 1 Width              | 5.8 cm  |
| Package 1 Length             | 9.4 cm  |
| Package 1 Weight             | 163.3 g |

Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.
