

# SUP-POINTS-10000 - Building management system

2404163

<https://www.phoenixcontact.com/us/products/2404163>

Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Emalytics Supervisor license for an additional 10000 data points

## Commercial data

|                                      |                                |
|--------------------------------------|--------------------------------|
| Item number                          | 2404163                        |
| Packing unit                         | 1 pc                           |
| Note                                 | Made to order (non-returnable) |
| Sales key                            | DR18                           |
| Product key                          | DRHBAA                         |
| GTIN                                 | 4055626349152                  |
| Weight per piece (including packing) | 0.001 MGM                      |
| Weight per piece (excluding packing) | 0.001 MGM                      |
| Customs tariff number                | 49119900                       |
| Country of origin                    | US                             |

## Technical data

### Product properties

|                     |                            |
|---------------------|----------------------------|
| Product type        | Building management system |
| Area of application | Building technology        |

### System properties

|                               |             |
|-------------------------------|-------------|
| Type of software              | On-premises |
| Intended use for the software | Automation  |

### License information

|                  |                 |
|------------------|-----------------|
| Type of license  | Runtime license |
|                  | Upgrade license |
| License duration | not relevant    |

### Functionality

|                                     |                  |
|-------------------------------------|------------------|
| Integrated function                 | Analysis         |
|                                     | Data acquisition |
|                                     | Diagnostics      |
|                                     | Startup          |
|                                     | Communication    |
|                                     | Configuration    |
|                                     | Project planning |
|                                     | Simulation       |
| Target system                       | Server           |
| Supported controllers               | ILC 2050 BI      |
| Number of data points (On-Premises) | 10000            |
| Number of data points (on-premises) | 10000            |
| Number of clients                   | nicht relevant   |

### System requirements

|                     |                                |
|---------------------|--------------------------------|
| Languages supported | German, English                |
| Screen resolution   | 1024 x 768 pixel(s) ,or higher |

## Classifications

### ECLASS

|             |          |
|-------------|----------|
| ECLASS-13.0 | 27242590 |
| ECLASS-15.0 | 27242590 |

### ETIM

|          |          |
|----------|----------|
| ETIM 9.0 | EC001435 |
|----------|----------|

### UNSPSC

|             |          |
|-------------|----------|
| UNSPSC 21.0 | 43233600 |
|-------------|----------|

Environmental product compliance

|                                         |                                                                                     |
|-----------------------------------------|-------------------------------------------------------------------------------------|
| EU RoHS                                 |                                                                                     |
| Fulfills EU RoHS substance requirements | Not applicable, No electrical and electronic equipment (EEE), cannot be used in EEE |
| EU REACH SVHC                           |                                                                                     |
| REACH candidate substance (CAS No.)     | No substance above 0.1 wt%                                                          |
