## Technical data

### Product properties

|              |               |
|--------------|---------------|
| Product type | Klemmenmarker |
| Pitch        | 10.2 mm       |

### Marking

|          |    |
|----------|----|
| Printing | PE |
|----------|----|

### Mounting

|               |          |
|---------------|----------|
| Mounting type | latching |
|---------------|----------|

### Material specifications

|                                        |                                |
|----------------------------------------|--------------------------------|
| Color                                  | white (RAL 9010)               |
| Material                               | PA                             |
| Flammability rating according to UL 94 | V2                             |
| Components                             | free from silicone and halogen |

### Environmental and real-life conditions

#### Ambient conditions

|                                                     |                                                                                 |
|-----------------------------------------------------|---------------------------------------------------------------------------------|
| Ambient temperature (operation)                     | -40 °C ... 100 °C                                                               |
| Recommended ambient temperature (storage/transport) | 23 °C                                                                           |
| Recommended humidity (storage/transport)            | 50 % (Storage in a dry and dark place in the original packaging is recommended) |
| Shelf life                                          | 2 years                                                                         |

### Dimensions

|        |          |
|--------|----------|
| Width  | 10.15 mm |
| Height | 10.5 mm  |
| Depth  | 4.20 mm  |
| Pitch  | 10.2 mm  |

#### Text field

|                   |          |
|-------------------|----------|
| Text field width  | 10.15 mm |
| Text field height | 10.50 mm |

### Standards and regulations

|                 |                             |
|-----------------|-----------------------------|
| Wipe resistance | DIN EN 61010-1 (VDE 0411-1) |
|-----------------|-----------------------------|
