### Technical data

#### Notes

Recommendation	Further information and detailed dimensions are available in the download area.
Recommendation	Do not stick anything to or damage the DAE membrane.
Note on application	We recommend the MCS-H-40-3031 living hinge so the housing parts can be removed without losing them.
PCB surface	The PCB surface specification is for orientation purposes and is based on a basic PCB. The housing can also accommodate several PCBs.
Assembly note	Tighten the mounting screws crosswise.
