Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Extender to ensure air clearances and creepage distances, only suitable for use in M23 Hybrid

Your advantages

- Reliable transmission of signals, data, and power in a single connector
- 80% faster assembly and 60% less installation space compared to litz wire assemblies
- Cost reduction due to the elimination of additional PCB connectors
- Reduction of PCB complexity and EMC risks
- Elimination of work steps with high error potential

Commercial data

Item number	1555726
Packing unit	192 pc
Minimum order quantity	384 pc
Product key	ABRCDX
GTIN	4067923035287
Weight per piece (including packing)	0.914 g
Weight per piece (excluding packing)	0.86 g
Country of origin	DE
