Upgrade license for upgrading from WebVisit 6 Basic to WebVisit 6 Pro

Product description

In addition to the basic functions, the Pro version of WebVisit contains the following macros:

- User level management
- Pointer tool
- URL jumps
- Alarm generation
- Trending
- Animated GIFs

Your advantages

- Engineering tool used to create web visualizations for all controllers with integrated web server
- The visualization pages are displayed in any standard browser
- No programming knowledge is necessary for the creation of visualization pages
- Macro library with functions such as alarm lists, trends, a user management feature, URL jumps, etc.

Commercial data

| | |
|--------------------------------------|--------------------------------|
| Item number | 2700950 |
| Packing unit | 1 pc |
| Minimum order quantity | 1 pc |
| Note | Made to order (non-returnable) |
| Sales key | DR13 |
| Product key | DRDABA |
| GTIN | 4046356661249 |
| Weight per piece (including packing) | 25 g |
| Weight per piece (excluding packing) | 24.999 g |
| Customs tariff number | 49119900 |
| Country of origin | DE |

Technical data

Product properties

| | |
|-----------------|---|
| Product type | Visualization |
| Basic functions | The user interface has a functional design and even the basic version offers numerous graphic basic elements and functions. |
| | The variables needed for visualization are imported directly from PC Worx. |

System properties

| | |
|-------------------------------|-------------------------------------|
| Control system | (Target system) Embedded controller |
| Type of software | On-premises |
| Intended use for the software | Web editor |

License information

| | |
|---|---|
| Type of license | Single-user license |
| | Freeware |
| | Upgrade license |
| Information regarding the type of license | Upgrade from WebVisit BASIC to WebVisit PRO |

Functionality

| | |
|---------------------------------|---|
| Basic functions | The user interface has a functional design and even the basic version offers numerous graphic basic elements and functions. |
