Marshalling panel, nom. voltage: 250 V, nominal current: 8 A, connection method: Push-in connection, 1st, 2nd, 3rd, 4th, 5th, 6th, 7th and 8th level, Rated cross section: 1.5  $\,\mathrm{mm}^2$ , cross section: 0.14  $\,\mathrm{mm}^2$  - 2.5  $\,\mathrm{mm}^2$ , mounting: NS 35/7,5, NS 35/15, color: blue, color of connection elements: white, red

### Your advantages

- Blue version for using in intrinsically safe circuits in potentially explosive areas (type of protection Ex i)
- High contact quality thanks to push-in technology as a replacement for Wire-Wrap®, TERMI-POINT®, etc.
- · Individual color assignment of cable and terminal point to ensure error-free, safe operation
- · Tool-free wiring in a confined space thanks to compact size
- The 2.3 mm test pick-off enables testing between the conductors with commercially available test probes

### Commercial data

| Item number                          | 3270134       |
|--------------------------------------|---------------|
| Packing unit                         | 10 pc         |
| Minimum order quantity               | 10 pc         |
| Sales key                            | BE62          |
| Product key                          | BE6211        |
| GTIN                                 | 4055626046686 |
| Weight per piece (including packing) | 37.42 g       |
| Weight per piece (excluding packing) | 37 g          |
| Customs tariff number                | 85369010      |
| Country of origin                    | PL            |

## Technical data

### Product properties

| Product type               | Marshalling terminal |
|----------------------------|----------------------|
| Number of positions        | 2                    |
| Number of connections      | 32                   |
| Number of rows             | 8                    |
| Potentials                 | 8                    |
| Insulation characteristics |                      |

### Electrical properties

Overvoltage category

| Rated surge voltage                             | 4 kV   |
|-------------------------------------------------|--------|
| Maximum power dissipation for nominal condition | 0.56 W |

### Connection data

| Number of connections per level | 4                   |
|---------------------------------|---------------------|
| Nominal cross section           | 1.5 mm <sup>2</sup> |

#### 1st, 2nd, 3rd, 4th, 5th, 6th, 7th and 8th level

| Connection method                                                 | Push-in connection                         |
|-------------------------------------------------------------------|--------------------------------------------|
| Stripping length                                                  | 8 mm 10 mm                                 |
| Connection in acc. with standard                                  | IEC 60947-7-1                              |
| Conductor cross-section rigid                                     | 0.14 mm² 2.5 mm²                           |
| Cross section AWG                                                 | 26 14 (converted acc. to IEC)              |
| Conductor cross-section flexible                                  | 0.14 mm² 1.5 mm²                           |
| Conductor cross-section, flexible [AWG]                           | 26 16 (converted acc. to IEC)              |
| Conductor cross-section flexible (ferrule without plastic sleeve) | 0.14 mm² 1.5 mm²                           |
| Flexible conductor cross-section (ferrule with plastic sleeve)    | 0.14 mm² 1.5 mm²                           |
| Nominal current                                                   | 8 A                                        |
| Maximum load current                                              | 8 A (with 1.5 mm² conductor cross-section) |
| Nominal voltage                                                   | 250 V                                      |
| Nominal cross section                                             | 1.5 mm²                                    |

#### 1st, 2nd, 3rd, 4th, 5th, 6th, 7th and 8th level Connection cross sections directly pluggable

| Conductor cross-section rigid                                     | 0.34 mm² 2.5 mm²              |
|-------------------------------------------------------------------|-------------------------------|
| Conductor cross-section, rigid [AWG]                              | 20 14 (converted acc. to IEC) |
| Conductor cross-section flexible (ferrule without plastic sleeve) | 0.34 mm² 1.5 mm²              |
| Flexible conductor cross-section (ferrule with plastic sleeve)    | 0.34 mm² 1.5 mm²              |

#### **Dimensions**

| Width              | 8.3 mm  |
|--------------------|---------|
| Height             | 100 mm  |
| Depth on NS 35/7,5 | 87.5 mm |
