

Siemens Low Voltage Sentron Electronics Accessories - Sentron Comm and Elect Accessories are Circuit Protection Molded Case Circuit Breakers. Sub Brand: TELEMAND Type: FD. Features: LEFT SIDE HINGES Std: UL V. Rating: 240VAC A. Rating: <7.6A F. Rating: 50/60 Hz Frame: FD Length: 12 Width: 6 Height: 6 Operating Temperature: (-25C -- 75C) AMBIENT TEMPERATURE Environmental Conditions: INDOOR

| Environmental conditions                     |                  |
|----------------------------------------------|------------------|
| ambient condition for operation              | INDOOR           |
| ambient temperature during operation maximum | 75 °C            |
| ambient temperature during operation minimum | -25 °C           |
| Model                                        |                  |
| product brand name                           | Siemens          |
| product feature                              | LEFT SIDE HINGES |
| special product feature                      | LEFT SIDE HINGES |
| Mechanical Design                            |                  |
| design of the product                        | FD               |
| size of the circuit-breaker                  | FD               |
| General product approval                     |                  |
| standard                                     | UL               |
