

Adaptor M12 male on rear / MSUD valve plug A-18mm

4-pol. A-cod.

Art.No.: 7000-41401-0000000

Weight: 0.028 Country of origin: CZ

Model designation: MSKL4-C

Form A (18 mm) - M12, connector at the rear

24 V AC/DC ±25% LED (yellow) 3-pole

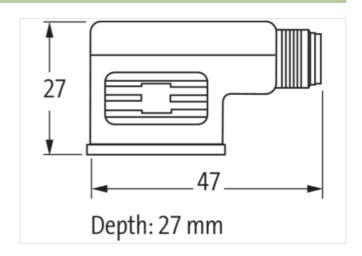

Plastic housings with good resistance against chemicals and oils.

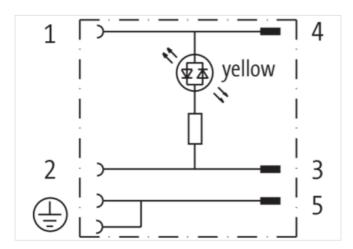

The resistance to aggressive media should be individually tested for your application. Further details on request.

	Rated surge voltage	0.8 kV
Operating temperature min25 °C	Environmental characteristics Climatic	
	Operating temperature min.	-25 °C

The information in this Product-PDF has been compiled with the utmost care. Liability for the correctness completeness and topicality of the information is restricted to gross negligence. Version: 2025-10-20

Operating temperature max.	85 °C
Important installation notes	
Note on bending radius	Attention: Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces.
Note on strain relief	Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties
