

RS232 Serial over Cat5 Extender, 1 km (3300 ft) Range, Plug & Play, No Software, DB9 Serial Extension - TAA

Product ID: RS232EXTC1

The RS232EXTC1 Serial over Cat 5 Extender allows you to increase the distance of your RS232 Serial connection by up to 1000 meters (3300 feet), giving you the ability to connect serial peripheral devices up to a kilometer away from your system - an incredible 65x greater than normal RS232 serial cable length restrictions would permit.

The Extender is a cost-effective serial extension solution and completely hardware-based, eliminating the need to install additional software, allowing for a completely plug and play installation. The hardware can be setup in minutes, using existing or new Cat 5 or better Ethernet cabling.

Perfect for use in industrial monitoring and control, POS, security, medical, and traffic flow applications, the RS232 Serial over Cat 5 extender maintains the RS232 standard with support for data transfer rates of up to 230 Kbps.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Industrial applications include controlling CNC machinery, polling bar code scanner data, administering process

control equipment, weigh stations, and other manufacturing applications

- Monitor and control medical equipment, security keypads/card scanners, point of sale equipment and remote sensor data, and various other healthcare related serial communications
- Extend connectivity to Point of Sale card swipe devices, bar code scanners, scales, receipt printers or cash register displays
- Remotely poll data from access keypads, card scanners, camera installations or home security systems
- Remote sensor monitoring for traffic flow management (air traffic control, expressway flow)

Features

- Extend RS232 over Cat 5: Connect serial equipment far beyond standard cable limits using Cat5 or better; Ideal for secure, remote setups in IT-managed environments
- No Drivers or Software Required: Enjoy a true plug-and-play experience with a pure hardware design that needs no drivers or setup software; For fast installs and low-maintenance deployments
- Support critical applications: Maintain consistent, standards-based data transmission in environments like CNC control, medical monitoring, POS systems, and industrial automation
- Reliable Full-duplex Communication: Supports full-duplex RS232 data transmission with engineering-grade reliability and compatibility across both legacy systems and modern infrastructure
- The IT Pro's Choice: Designed for reliability in edge and on-prem deployments, our solutions are lab-tested and field-proven for seamless integration and maximum uptime; Backed by free lifetime 24/5 multi-lingual technical assistance
- Compact design
- No driver software required for easy Plug-and-Play installation

Hardware

Warranty	2 Years
Ports	1
Cabling	Cat 5 UTP

Performance

Maximum Data Transfer Rate	230 Kbps
Max Distance	1 km (0.6 mi)

Connector(s)

Local Unit Connectors	1 - DB-9 (9 pin, D-Sub)
-----------------------	-------------------------

		1 - RJ-45
	Remote Unit Connectors	1 - DB-9 (9 pin, D-Sub)
		1 - RJ-45
<hr/>		
Software		
	OS Compatibility	OS independent
<hr/>		
Special Notes / Requirements		
	System and Cable Requirements	Cat5 RJ45 cabling required
<hr/>		
Power		
	Power Source	2 AC Adapters Included
	Input Voltage	100 - 240 AC
	Input Current	55mA
	Output Voltage	9V DC
	Output Current	0.3A
	Center Tip Polarity	Positive
	Plug Type	M
	Power Consumption (In Watts)	2.7
<hr/>		
Environmental		
	Operating Temperature	0C to 70C (32F to 158F)
	Storage Temperature	0C to 85C (32F to 185F)
	Humidity	0% to 95%
<hr/>		
Physical Characteristics		
	Color	Silver
	Material	Steel
	Product Length	3.6 in [9.2 cm]

Product Width	1.3 in [3.4 cm]
Product Height	0.9 in [2.2 cm]
Weight of Product	9.6 oz [273.0 g]

Packaging Information

Package Quantity	1
Package Length	12.4 in [31.6 cm]
Package Width	5.7 in [14.4 cm]
Package Height	2.3 in [5.8 cm]
Shipping (Package) Weight	1.5 lb [0.7 kg]

What's in the Box

Included in Package	1 - RS232 Extender Local Unit
	1 - RS232 Extender Remote Unit
	1 - 20cm Null Modem cable (DB-9 Male to Male)
	2 - Power Adapter
	1 - User Manual

Warranty Information

Warranty	2 Years
