

For Immediate Release

Mouser Electronics Honored by Top Electronic Component Manufacturers for Distribution Excellence

July 21, 2020 – [Mouser Electronics](http://www.mouser.com), Inc., the industry's leading New Product Introduction (NPI) distributor with the widest selection of semiconductors and electronic components, is pleased to announce that it has received over 20 top business [awards](#) from its manufacturer partners for impeccable distribution performance during 2019 and 2020.

Manufacturers gave a variety of reasons for the awards, including best-in-class global logistics, digital excellence, double-digit sales growth, fastest new product introductions (NPIs), commitment to teamwork, investment in inventory and breadth of inventory, successful marketing campaigns, customer growth, and expanding footprint.

"Mouser is immensely grateful to our manufacturer partners for these top recognitions," said Jeff Newell, Senior Vice President of Products at Mouser Electronics. "These awards honor the hard work and dedication to exceptional customer service inherent to all of our teams."

Performance awards for excellence in 2019 and 2020 include:

- [TE Connectivity](#) – Global High Service Distributor of the Year
